

GlobeHopper Travel Insurance

You are responsible for your own Travel and Health insurance.

GlobeHopper is a flexible International Travel Insurance providing cover for International Emergency Care & Expenses, Evacuation & Assistance. It also offers a wide range of other cover on a virtually “anywhere to anywhere” basis whilst travelling outside of the insured person’s Home Country. GlobeHopper is available to residents of almost every country around the world.

- Available as a Single Trip Policy in the period of insurance of up to 30 or 40 days maximum duration per trip.
- Three extensions available: Adventure Sports Rider, Evacuation Plus Rider and Chaperone/Faculty Leader Replacement Option.
- Designed for a wide range of users including college students studying abroad and foreign nationals.
